Perfectly positioned on an executive 1.8-acre setting overlooking the Vermillion River, this extraordinary custom residence offers rare privacy, serenity, and breathtaking wooded and wildlife views an irreplaceable backdrop that feels worlds away, yet effortlessly refined. From the moment you arrive, a circular paver driveway and matching walkway create a grand sense of arrival, setting the tone for the premium craftsmanship and thoughtful design found throughout this remarkable home. Step inside to a stunning two-story foyer and great room, where a dramatic beamed ceiling with layered crown molding commands attention. Floor-to-ceiling Andersen windows frame sweeping natural views, flooding the home with light and connecting every space to the beauty beyond. Rich wood floors span most of the main level, while an authentic floor-to-ceiling real stone, see-through fireplace anchors the living spaces with timeless character and artisan detail. Extensive crown molding throughout further elevates the home's architectural presence. The gourmet kitchen is designed for both everyday living and elevated entertaining, featuring custom cabinetry, a spacious walk-in pantry, and an inviting hearth room that expands the gathering space perfect for hosting family and friends. An oversized mudroom impresses with built-in bench seating, cubbies, and paneled wainscoting, blending function with refined style. The main-level primary
